IG105 – FINANCIAL SUPPORT FROM ENVIRONMENTAL EXTENSION PROJECTS UP TO 3,000,000€ (ARTICLE 6.4.1)

2. PURPOSE/OBJECTIVE

Implantation of projects for the elimination, re-use or recycling, management or treatment of residues and the manufacturing of equipment for waste processing and treatment plants, and the removal of contamination

3. TYPES OF AID

Non-refundable grants as a competitive bid for eligible costs and investments

4. POTENTIAL BENEFICIARIES

Companies whose main work is the undertaking of any of the eligible activities and who meet the following requirements:

- a) Carrying out an initiative eligible for support in the Autonomous Community of Galicia.
- b) Carrying out any of the eligible activities at the centre included in the project.
- c) Providing for the investment project a financial contribution exempt from any type of public support for at least 25% of its total, either through own resources or external financing
- d) Being up to date with all obligations with the public tax office, the Autonomous Community of Galicia and the Department of Social Security

5. ELIGIBLE SECTORS

Activities aimed at:

- a) the elimination, re-use and recycling of waste
- b) the manufacture of equipment for installations handling or treating residues, for the reduction or elimination of contamination

6. MAIN REQUIREMENTS OF THE PROJECT

- a) An investment project in excess of 600,000 € and up to 3,000,000 €
- b) Technical, economic and financial viability.
- c) The eligible investment must be in excess of 1.5 times the average provision for the amortisation of fixed assets, applied to the centre where the new investments will be applied, in the last 3 complete financial years.
- d) Demonstrating having at least 50% of its employees with permanent contracts in its centres located in Galicia.

7. REQUIRED QUALIFICATION OF THE PROJECT

-

8. ACCEPTABLE INVESTMENTS AND/OR COSTS

- Equipment: processing machinery, specific installations, internal transportation elements, special external transportation vehicles, environmental protection measures and other equipment (in the transport sector, excluding external transportation elements)

- The acquisition of intellectual and industrial property, including manufacturing licences and patents.

Investments will be eligible made in goods primarily for business use paid after presentation of the request to IGAPE and until the end of the period defined for completion of the project.

9. AMOUNT OF AID

A minimum of 15% of the eligible base, up to a maximum of 30% of eligible costs.

10. FINAL DATE FOR THE PRESENTATION OF APPLICATIONS

The call for this aid scheme will be published in the official gazette of Galicia (DOG)
